Sin: In conviction of a duty to sufferers from disease, I take

leasure in giving my case and cure as one of the most won dorfal on record: For eighteen years I have been a great sufferer from fen

weakness and internal tumor. For the last seven years I have had been orthage of the lungs, with a bad cough, and was given weekings and interest which a bad cough, and was given had beamythage of the lungs, with a bad cough, and was given over as a consumptive, and incurable, gradually westing away under the best medical advise and treatment. Some of the most entiment physicials in this city declined taking my case, saying I was incurable. Having heard of hundreds of well-auth ordered curse by Dr. J. R. NEWTON, No. 22 East Billiant, N. Y. I was carried to his rooms unable to step, and in fitteen or twenty minutes I was cured, and walked home, over a mile. This was nearly ten months ance, and I continue well and hearty. My husband, lately arrived from the South, never expecting to see me agoin, has called on Dr. N., and expressed his gratifunds for so unexpected a cure. I hear and have no reason to doubt that Dr. NEWTON Is about certain together a cure in Female Diseases of every name and nature, Heart Disease, Rhemmatism, Dyspepsia, Bonochitis, Nervous Deblitty, Diseased Liver, Loss of Voice, and Wess Sping.

Such is my conviction of the truth and effect of this mode of treatment or all formin Preserves that it must eventually take precurineque of all others.

A friend of suffering mortals,
